New Junior Curling Program Starting October 2024!

Try our new Junior Curling Program for ages 8-14, led by former World Junior and Canadian Mixed Champion Alison Thiessen. This 8-week program is the perfect chance for beginners and experienced young curlers to develop their skills with one of the best in the game. Sessions start Wednesday, October 23rd, with 1-hour classes focused on fun and participation. Parent volunteers are needed to help ensure the program's success—and you'll get to try curling too! No prior experience or equipment is required, just clean shoes.

Sturling League

Can't find a team or time? Consider joining our Sturling League. This 2-player variation of curling is perfect for those who enjoy fast-paced action with limited sweeping. Games are only 60 minutes long, making it a great option for anyone with a tight schedule.

Ladies Leagues

We have two ladies leagues available. Tuesday evenings is the traditional team play with a wonderful group of ladies. For the last couple of seasons the Thursday morning ladies has been more of a weekly draw for teams, but if we get enough registrants for this day we will look at forming a league.

Senior Leagues

We also have two senior leagues (50+) available – Wednesday or Friday afternoons. If you're looking for a great way to stay active both physically and socially this is a great option. You are welcome to use crutches and sticks in both of these leagues.

Heartland Community League

Join us for a fun and inclusive curling experience! Our recreational league welcomes all curlers, whether you have a team or are looking to join one. Teams can be mixed with any combination of men and women. If you're interested in curling but don't have a team, don't worry! Contact our league organizer Bryan Conroy, at bconroy@dow.com, and he'll help you find a team.

Men's League

Our men's league is open to all ages and all skill levels. A great opportunity to get out and have some fun!

Mixed League

Looking for something to do on a Friday night? Our mixed league is a very relaxed, social league. Teams consist of two men and two ladies. Come out and make some new friends!
