HAPPY

HOLIDAYS

What's up?

There is so much going on at the Fort Sask Curling Club! We've held two bonspiels already and have more coming up. Our virtual golf will have both a tournament and a league in the new year (more info further on). Our Junior and 6-Pack leagues have wrapped up and the winter sessions for these leagues will start up in January as well. So much fun!

Curling Notes:

- If you would like to book practice ice please see our schedule on the bulletin board or give Carol a call. Cost to rent ice for practice is \$25/sheet for the standard amount of time it takes to play a game. There is NO cost for booking ice for a make-up game.
- If you are able to let us know if you will be using your bye ice each week it will be appreciated by Stan, as then he will know if he should prep the ice or not for you. You are entitled to your bye ice as part of your fees so there is no additional cost.
- We have several curlers that were unable to get on a team for this season and have added themselves to the rover list. Please consider asking one of these new curlers to sub for you, this is a great way to help our club grow it's membership!
- Several people have requested that we have name tags available for our leagues so you can get to know each other better. Name tag stickers will be available on the desk outside Carol's office.
