November 2024

What's up?

Hello and welcome back to the Fort Sask Curling Club! 🇨🇦 We are already four weeks into the curling season. We've held one bonspiel and another one is coming up in two weeks. We have two new leagues - the 6-Pack Learn to Curl, and we have a Junior League again after several years. Our virtual golf is also up and running for the season. We look forward to spending the winter with you!

Ladies Drop-in Curling

Thursday mornings 9:30 am to 11:30 am. \$15.75 (incl. gst). And join the ladies afterwards for soup and sandwiches!

School Groups

So far we have welcomed the students from the Fort Sask High School, Fort Christian School, and JPII Phys. Ed. programs to learn how to curl. And we are very fortunate to have past champion Alison Thiessen assisting our schools this season!

The tree trimming continues even after the course is closed...

Thank you!

This month we would like to give a big thank you to all of the volunteers that have stepped up to help us out with the start of the curling season. We had numerous volunteers help out at the Open House on Oct. 5th and have had tremendous support with our new 6-Pack Learn to Curl and Junior League. Your help has made getting these programs off the ground so much easier. Our curling committee has also been working tirelessly behind the scenes to grow our curling community, from planning new programs and bonspiels, to advertising, to getting us some new equipment. It's because of our caring members that we have such a fantastic club to curl in every season! 🇪🇺❤️

Curling Notes:

- If you would like to book practice ice please see our schedule on the bulletin board or give Carol a call. Cost to rent ice for practice is \$25/sheet for the standard amount of time it takes to play a game. There is NO cost for booking ice for a make-up game.
- If you are able to let us know if you will be using your bye ice each week it will be appreciated by Stan, as then he will know if he should prep the ice or not for you. You are entitled to your bye ice as part of your fees so there is no additional cost.
- We have several curlers that were unable to get on a team for this season and have added themselves to the rover list. Please consider asking one of these new curlers to sub for you, this is a great way to help our club grow it's membership!
- Several people have requested that we have name tags available for our leagues so you can get to know each other better. Name tags will be available on the desk outside Carol's office.
